

# Be A Global Neighbour

© 2019, Rocktopus and Christ Church C of E First School, Frome, Somerset

It's not fair that the seas are being polluted,  
It's not fair that the polar ice-caps are melting.  
Rainforests are being destroyed!  
It's not fair that animals face extinction.

Think before we act,  
Think about others,  
Think about the world.  
Let's come together and  
Be a global neighbour.  
Come together and be a global neighbour,  
Come together and be a global neighbour,  
Come together right now!

It's not fair that some people are homeless,  
It's not fair that some people are poor.  
People have to go to war!  
It's not fair that people lack food and water.

Let's make it fair,  
Let's help each other,  
Let's all be kind.  
Let's come together and  
Be a global neighbour.  
Come together and be a global neighbour,  
Come together and be a global neighbour,  
Come together and be a global neighbour,  
Come together right now!

# Everyone Deserves A Place To Do Their Business (The Toilet Twinning Song)

© 2019, Rocktopus and Christ Church C of E First School, Frome, Somerset

Imagine we had no toilet,  
I'd have to use a bucket to do my business,  
Or maybe a hole in the ground.  
It might get really smelly and flies might find the mound,  
Landing on the business,  
And spreading the germs around.

Imagine we had no water,  
To drink or wash our hands,  
We're dehydrated, smelly and dirty too.  
We might get diarrhoea and I feel paranoid  
That it might kill me.  
I wouldn't know what to do!

Millions of children experience this,  
They don't have a proper loo.  
They don't have running water,  
To wash like me and you.

Let's raise some money to  
Buy some toilets for another school.  
Coz everyone deserves a place  
To do their business. **[Repeat]**

# I'll Be A Good Friend

© 2019, Rocktopus and Christ Church C of E First School, Frome, Somerset

A good friend is kind and says,  
"Do you want to come out, if you're feeling sad?"  
A good friend helps you up and says,  
"Are you okay? Would you like some help?"  
I'm gonna look around for someone who is feeling sad,  
If they're sick or poorly, or if they're on their own.

I'll be a good friend,  
I'm gonna be kind and helpful,  
Be a good friend,  
And see who needs my help. **[Repeat]**

A good friend always shares and says,  
"Would you like to play with my toy?"  
A good friend loves to play and says,  
"Do you want to play with me?"  
I'm gonna look around for someone who is feeling sad,  
If they're sick or poorly, or if they're on their own.

I'll be a good friend,  
I'm gonna be kind and helpful,  
Be a good friend,  
And see who needs my help. **[Repeat]**

# Save Our World Today

I am a tiger, I am big and strong,  
My black and orange stripes are my camouflage.  
I have a big heart and I can swim,  
But I need your help.

People are bulldozing the rainforests,  
And chopping down the old tall trees.  
I'm losing my home, I have nowhere to live,  
Won't you help me please?

We will help you, we won't ignore you,  
We'll plant more trees to be your home.  
We will help you, we won't ignore you,  
We'll change what we do for you.

Don't stand by and watch things die.  
Save our world today! **[x4]**

Don't stand by and watch things die.  
Save our world today! **[x3]**

We will help you, we won't ignore you,  
We'll plant more trees to be your home.  
We will help you, we won't ignore you,  
We'll change what we do for you.

Don't stand by and watch things die.  
Save our world today! **[x4]**

Don't stand by and watch things die.

Christ Church is a kind school;  
Christ Church has delicious meals;  
Christ Church has fun play equipment;  
Everybody's kind and generous!

Christ Church has a nursery;  
Christ Church has an enchanted forest;  
Christ Church has a juicy orchard;  
Everybody loves to learn and play!

Children don't care how much you know,  
Until they know how much you care.  
We are living life in its fullness,  
We're living the dream!  
We are living life in its fullness,  
Come learn with me!  
(We are living life in its fullness,  
We're living the dream!  
We are living life in its fullness,  
Come learn with me!) **[On repeat only]**

# Jesus Helps Us To Make Good Choices (The Zacchaeus Song)

© 2019, Rocktopus and Christ Church C of E First School, Frome, Somerset

Zacchaeus was a naughty man.  
He made bad choices,  
When he took people's money and when he lied.

Jesus was a kind man.  
He made good choices,  
When he held out his hand and offered generosity.

Zacchaeus had no friends, because he was mean!  
Zacchaeus had no friends, because he lied!  
Zacchaeus had no friends, because he was mean!  
Zacchaeus had no friends, because he lied!

Jesus helped him to make good choices! **[x4]**

Zacchaeus is now a good man.  
He makes good choices,  
When he gives people money and tells the truth.

Zacchaeus is now a good man.  
He makes good choices,  
When he gives people money and tells the truth.

Zacchaeus has lots of friends, because he is kind!  
Zacchaeus has lots of friends, because he tells the truth!  
Zacchaeus has lots of friends, because he is kind!  
Zacchaeus has lots of friends, because he tells the truth!

Jesus helps us to make good choices! **[x4]**

# **Say Thank You!**

## **(The Ten Lepers Song)**

© 2019, Rocktopus and Christ Church C of E First School, Frome, Somerset

Do we thank our carers when they do the dishes?  
Do we thank our friends when they give us gifts?  
Do we thank our family when they are kind?  
Do we thank our teachers when they help us learn?

When we say “Thanks!” we show people just how much we love them.  
When we say “Thanks!” we show people we are kind and caring.  
Just like the leper who went back to Jesus and said “Thank you!”  
He was the one in ten, but we can make it ten out of ten.

Say “Thank you ... doctors!”  
Say “Thank you ... police!”  
Say “Thank you ... firefighters!”  
Say “Thank you ... bus drivers!”  
Say “Thank you ... farmers!”  
Say “Thank you ... bakers!”  
Say “Thank you ... dentists!”  
Say “Thank you ... Jesus!”

# **We Can Overcome Our Fears!**

## **(The David and Goliath Song)**

© 2019, Rocktopus and Christ Church C of E First School, Frome, Somerset

You can be scared of wolves.  
You can be scared of heights.  
You can be scared of strangers.  
You can be scared of water.  
Like David and his sling-shot,  
Who killed the giant, Goliath.  
He saved the whole army,  
Because he wasn't scared.

It doesn't matter how small you are.  
It doesn't matter how big you are.  
With courage and bravery,  
We can overcome our fears,  
We can overcome our fears,  
We can overcome ...  
It doesn't matter how small you are.  
It doesn't matter how big you are.  
With courage and bravery,  
We can overcome our fears,  
We can overcome our fears,  
(We can overcome our fears!) **[On repeat only]**
