

Do not post abusive or offensive comments online

Prejudice and discrimination are wrong and will not be tolerated. Please work with us to make sure that everyone feels safe, respected, valued and welcome at our school.

Any adults who use threatening, abusive, racist, homophobic, biphobic, transphobic or other offensive language when speaking/writing to, or about, any Christ Church school staff, pupils or parents/carers will be banned from entering the school premises.

Please note: this applies regardless of where or when this was said/written. This includes postings to a “closed” Facebook group.

Hate crimes will be reported to the Police.

Do not post photos online without permission

It goes against school policy and safeguarding guidelines for anyone to post photos online without necessary permissions. This applies to all children (whether Christ Church pupils or not) and adults (including parents and school staff).

Anyone posting photos of others online (including to a “closed” Facebook group) may have committed a crime. They will be reported to the Police.
